

## Photo Consent Form

Delta Christian School is committed to safeguarding your privacy. We strive to exceed the standards established by the BC Personal Information Protection Act (PIPA). Under that Act, we must obtain consent to have photographs and student work samples published. We maintain a standard as a school that in public advertising and media, student names or personal information will not be published.

Please fill out the form below indicating consent/non-consent. Because of DCS's involvement in social media and public advertising, you may choose to consent only to protected school materials (ie. Ripples, protected area of website, teacher blog).
