During your personal interview with a Delta Christian School administrator, your application may be reviewed with you, additional information may be requested and opportunities will be provided to answer any questions you may have about DCS. CHARITABLE GIFT RECEIPTING

A significant portion of your tuition payment to DCS is deemed to be a charitable donation. As such you will receive an Official Receipt for Income Tax Purposes for a portion of the tuition paid and any financial contributions you donate to DCS during each calendar year.

DCS is an independent school operating within the guidelines and restrictions established by the Ministry of Education. Tuition does not cover the full cost of providing a quality Christ-centered education to DCS students. Annual campaigns are established to raise funds for projects or needs that cannot properly be accommodated in the annual budget. Parents and supporters of Christian education are asked to contribute additional resources to these campaigns, as they are blessed and able to do so. Opportunities will arise throughout the school year for both specific needs and general appeals.

_____
PARENT INITIAL

DCS 101 (ORIENTATION) & SOCIETY MEMBERSHIP EVENING

All new parents to DCS are required to attend the DCS 101 (Orientation) Session. This repeated session is typically scheduled for late September and February and provides valuable information about the school's structure, priorities and its day to day operation. Society membership is contingent upon attendance, attending DCS for at least one year and a profession of Christian faith for each individual parent.

The Board recommends that new families also attend the Fall AGM (November) and Spring AGM (May) in their first year at DCS. These evenings provide additional insight into the financial character of the school and the operation of the Society through a Board of Directors and various sub-committees. As this is a parent participation school, these sessions will assist you as you become acquainted with DCS and determine how you can best serve.

COMMUNICATION FROM DCS

The preferred communication method for most correspondence from DCS is e-mail. It is efficient, cost effective and provides a clear record of attempts to communicate with families. It is each parent's responsibility to provide the school with an active e-mail address which they will check often. Changes to this information must be provided to the school office promptly. We ask all families to check their email daily to make sure they have the most up-to-date information.

Parents are encouraged to check the school's website often and to read the weekly Dolphin Ripples newsletter as information is updated frequently. It will assist you in keeping yourself well informed about student activities, upcoming events, team schedules and student achievements. Each teacher also maintains a classroom blog or e-portfolio that is updated on a regular basis. Teachers will also communicate through email.

PARENT INITIAL

PARENT PARTICIPATION

As this is a parent participation environment we require parents to provide 12 hours of service to the school community each year. Opportunities to volunteer exist through the Administration, classroom teachers, Committees, hot lunch programs, field trips, working groups, parent lunch supervision and at community events throughout the year. All volunteers are to record their service hours on-line through OnVolunteer. It is each parent's responsibility to ensure that these service hours are provided and properly recorded or the Parent Participation Fee will be cashed. Each parent volunteer must submit a criminal record check prior to volunteering on school property and/or around DCS students.

PARENT INITIAL

CHURCH AFFILIATION (PASTORAL REFERENCE)

DCS is committed to educating your child(ren) in a Christ-centred environment. A pastoral reference demonstrates your commitment to assist with this through your involvement in a Bible-based teaching church. An updated Church Affiliation (Pastoral Reference) form is required for returning families in the child's Grade 4 year.

Please be advised that school experience has shown that families benefit from being involved in and integrated with a church community. Should you find that you are disconnected from or having difficulty locating a suitable Christian church at any time during your enrolment at DCS, we would be pleased to assist you in reconnecting with a church that meets your family's needs. Our community of believers has membership in and attendance at churches in Ladner and surrounding areas. Each situation will be evaluated with compassion and grace and a sincere desire to help families get re-engaged in a church that will meet the needs of their family and fulfill the requirement for enrolment.

DELTA CHRISTIAN SCHOOL
PURPOSE, BASIS AND PRINCIPLES 2021-2022

We, at Delta Christian School, together with the home and church, seek to equip and nurture our children for a life of joyful Christian service based on God's Word. We strive to create an environment in which each person can discover and celebrate their uniqueness, and appreciate the gifts and needs of others. Our children are led to discover the wonders of God's creation, to develop a Christian perspective of life and to critically weigh the issues of the day. Recognizing our God-given responsibility, it is our purpose to train our children to serve God and neighbour, and to educate them to be faithful stewards of God's world.

The basis of the principles for the Delta Christian School Society are found in the Scriptures of the Old and New Testaments, the infallible Word of God, as explicated in the Reformed Creedal Standards referred to in the Constitution of Delta Christian School. On this basis, we affirm the following principles for Christian education:

A) THE BIBLE

That God by His Holy Word reveals Himself, renews man's understanding of God, of man himself, of his fellow man and of the world, directs man in all his relationships and activities, and therefore guides His people also in the education of His children.

B) CREATION

That in their education children must come to learn that the world, and man's calling in it, can rightly be understood only in their relation to the Triune God, who by His creation, restoration and governance directs all things to the coming of His Kingdom and the glorification of His name.

C) SIN

That man's sin, which brought upon all humankind the curse of God, alienates him from his Creator, his neighbour and the world, distorts his view of the true meaning and purpose of life, misdirects human culture, and also, corrupts the education of children.

D) JESUS CHRIST

That through our Saviour, Jesus Christ, there is a renewal of our educational enterprise, because He is the Redeemer of, and the Light and the Way for our human life in all its complexities. Only through Him and the work of His Spirit are we guided in the truth and recommitted to our original calling.

E) SCHOOLS

That the purpose of Christian schools is to educate children for a life of obedience to their calling in this world as image-bearers of God; that this calling is to know God's Word and His Creation, to consecrate the whole human life to God, to love their fellow man, and to be stewards in their God-given cultural task.

F) PARENTS

That primarily the responsibility for education rests upon parents to whom children are entrusted by God, and that Christian parents should accept this obligation in view of the covenantal relationship with God, established with believers and their children. They should further this obligation through school societies and school boards, which engage the service of Christian teachers in Christian schools.

G) TEACHERS

That Christian teachers, both in obedience to God and in co-operation with parents, have a unique pedagogical responsibility while educating the child in school.

H) PUPILS

That Christian school must take into account the variety of abilities, needs and responsibilities of young persons; that the endowments and calling of young persons as God's image-bearers and their defects and inadequacies as sinners require that such learning goals and curricula be selected as will best prepare them to live as obedient Christians; and that only with constant attention to such educational concerns, will education be truly Christian.

I) COMMUNITY

That because God's covenant embraces not only parents and their children but also the whole Christian community to which they belong, and because Christian education contributes directly to the advancement of God's Kingdom, it is the obligation not only of parents but also of the Christian community to establish and maintain Christian schools and to pray for, work for and give generously in their support.

J) EDUCATIONAL FREEDOM

That Christian schools, organized and administered in accordance with legitimate standards and provisions for day-schools, should be fully recognized in society as free to function according to these principles. This Article is unalterable.

Based on these Creeds, Delta Christian School has developed its mission statement:

Equipping children for life through Christ-centred curriculum that promotes intellectual, social, physical and spiritual excellence for the purpose of training our children to serve God and to become faithful stewards of His world.

We/I, have read and support the above noted creeds and confirm our/my acceptance of these creeds as they apply to the education of my child. We/I also support the school Mission Statement and confirm our/my support for a Christian-based education for our/my child(ren) at Delta Christian School.
